Please refer to your *Deposit Account Agreement & Disclosure* for important information and the *Personal Deposit Accounts Fee Schedule* for other fees that may apply to this account.

Overview of Select Checking Accounts

This is a consumer account intended as a general-purpose checking account. This account is not to be used for commercial purposes. BAC reserves the right to determine if the account is being used appropriately. Accountholders who persist in not using their account properly may have their account converted to a different checking account or closed altogether. If converted, the different checking account may have a different monthly service charge and/or require a different minimum account balance.

We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted, and no checks or other debits will be paid after the account is closed. A BAC check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records or held for pick-up at the branch. Upon termination of your account, any optional add-on products / services associated with this account will also be terminated at the same time.

Statement Cycle: The period of time for which BAC provides a summary of the financial activities and transactions that post and settle to the accountholder's account. The statement cycle ends on the last business day of the month. The statement cycle begins on the first calendar day following the last business day of the month.

Business Day: Any day Monday through Friday, provided that the weekday is not on a federal holiday. When a federal holiday falls on a Sunday, the next Monday is not a business day.

Overdraft Protection

BAC offers optional overdraft protection plans to protect you from overdrafts and declined transactions. The following fees are applicable: Overdraft Fee \$33.00 for each item, per each presentment, whether paid or returned (daily maximum of \$132.00 per day); and Savings Overdraft Protection (if you are enrolled) \$8.00 per transfer for each day we transfer available funds. If there are not enough available funds in the enrolled savings account to cover the overdraft you may also receive a \$33.00 Overdraft Fee in addition to the \$8.00 transfer fee. Fees may be imposed for covering overdrafts created by check, in- person withdrawal, ATM withdrawal, or by other electronic means. BAC reserves the right to require the accountholder to pay an overdraft immediately or on demand. We typically do not pay overdrafts if your account is not in good standing, you are not making regular deposits, or if you have too many overdrafts.

At any time and at BAC's discretion rates, service charges, and features may change after account is opened. Fees may reduce earnings.
