

Personal Mobile Banking: Mobile Deposit*

BAC Community Bank

MAKING A DEPOSIT WITH OUR MOBILE APP IS QUICK AND SECURE.

From **Deposit**, you can deposit your paper checks as well as the money you receive through our personal payment service.

To deposit a check, begin by endorsing the back of the check and write **“For Mobile Deposit Only at BAC Community Bank”**.

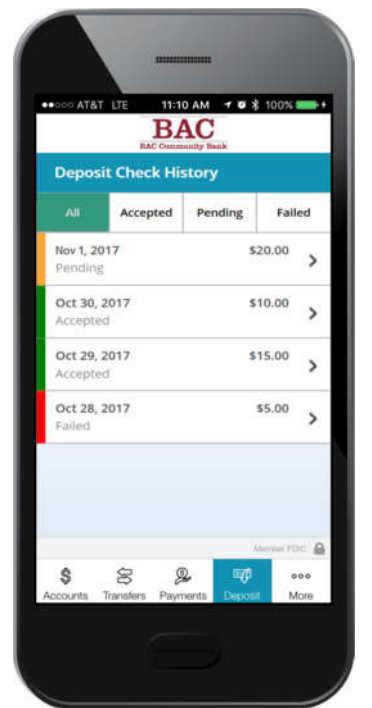

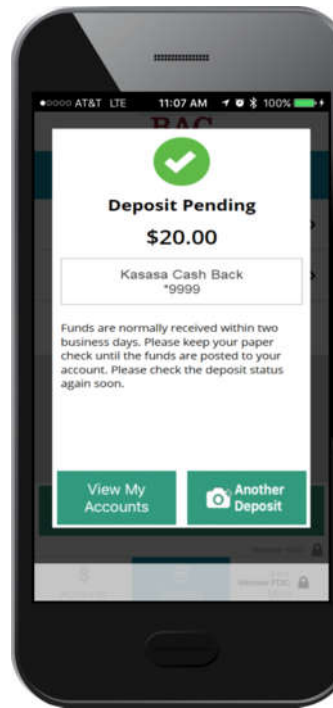

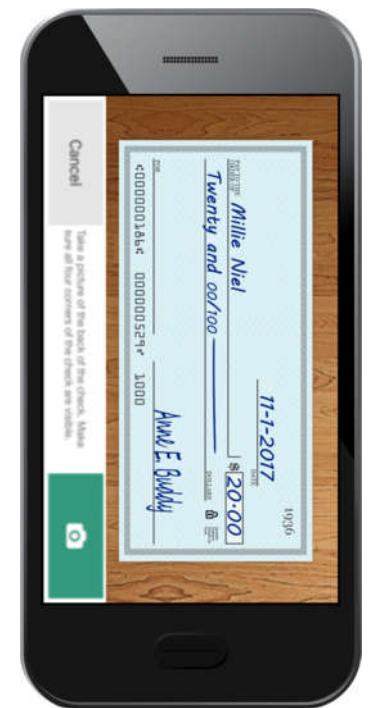

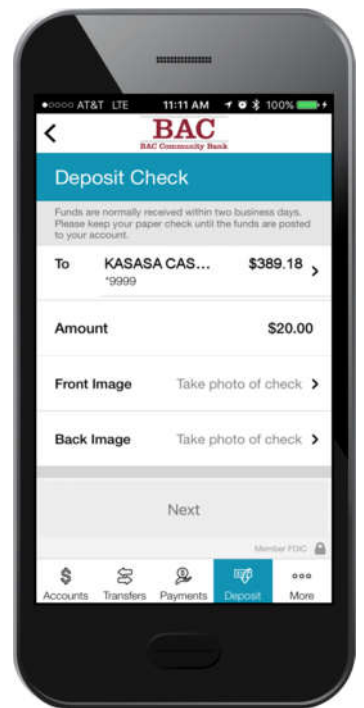

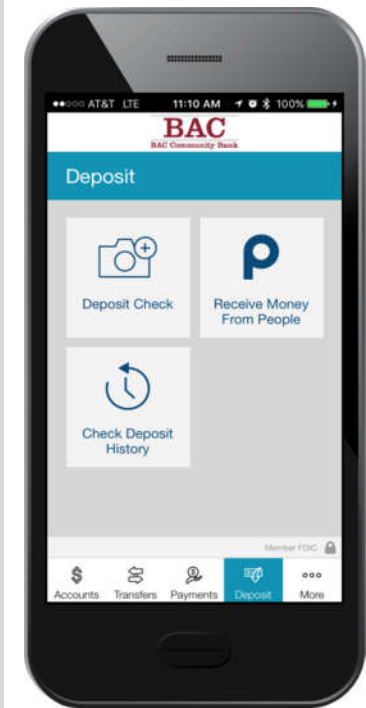

Within the app, select **Deposit Check**. Choose the account to make the deposit and enter the amount.

Take a photo of front of check and back of the check against a clear background without any other objects. Ensure entire check is visible, in focus, and well lit. Follow screen prompts to **Deposit** check and **Confirm** your deposit.

Tip: After submitting your mobile deposit, **keep paper check in a safe place for 14 days** for verification of your records **before shredding the check**.

You can check the status of your deposit at any time by selecting **Deposit History**.

The status of All Deposits displays by default, but you can choose to only see Pending, Approved, or Failed deposits, too.

*A separate transaction fee may apply when using Rush Payment or Popmoney. Business accounts linked to Personal Mobile Banking may be subject to additional fees, please refer to the *Business Deposit Accounts Fee & Information Schedule*.

Message and data rates may apply based on your plan with your mobile carrier.
