A Whole New Cash Management Experience is here.

More advanced tools to better manage your business.

Yes, it's a fresh, new look. One that translates perfectly from your desktop or laptop to your tablet. Behind that new look, you'll find the same powerful banking software you rely on – with important new features:

- Intuitive navigation
- Touch-friendly screens
- Responsive design to enhance your mobile and tablet experience
- Seamless access to ACH and wires*
- Enhanced functionality to stop payments
- Simplified screen for managing your user information

*ACH and wire are only available to those customers currently enrolled in these services. If you'd like more information, please contact your Relationship Manager.

First time log on

Use the same credentials as before. If you are currently using a token, then follow the same process. New tokens are not required. You may be prompted for a challenge question or One-Time Passcode when you first log in the new version. You may also be asked to provide your mother's maiden name. If using Bill Pay, you may also be asked to provide your mother's maiden name.

Frequently Asked Questions

Q: When will the new Cash Management be available?

A: Beginning 06/10/19 you'll automatically access the latest version of Cash Management when you log on. There's no software to install. *Please note that the link to access Cash Management changed with the upgrade. If you use a bookmarked link, please log in through the Bank's website to avoid interruption.*

Q: Will all of my information be available?

A: Yes. All of your information, reports, templates, and user settings from the previous version of Cash Management are automatically installed and ready to use.

Q: Where do I find Merchant Remote Deposit?

A: Merchant Remote Deposit is now located under the Checks & Deposits tab – Deposit Checks.

Q: Where do I find Stop Payments?

A: The Stop Payment function is now located under the Checks & Deposits tab. If you have multiple accounts, you can select the correct account to which the stop payment should be applied from the dropdown menu.

Q: How do I update my personal account information?

A: You can make changes to your password and security questions from the Profile tab at the top right corner of the page.

If you have questions about any of our business services, please contact us at 877-226-5820.

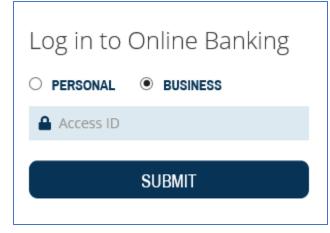

EXPLORE WHAT'S NEW

Examples of new version and current version:

Log In: New version –Access ID and Password entered on same page

Log in to	Online Banking
